

As part of the environmental initiatives associated with Towson University, Parking & Transportation Services offers the Tigers Go Green program to drivers of certified Smart Way Elite vehicles. In order to participate in the program, vehicles must be designated by the U.S. Environmental Protection Agency. To find out if your vehicle is SmartWay Elite certified, please go to <http://www.epa.gov/greenvehicles>. Eligible faculty, staff and students may participate.

To apply for the Tigers Go Green Program, the following documents must be submitted to Parking & Transportation Services:

1. Completed and signed Tigers Go Green Program application
2. Copy of your current TU OneCard
3. Copy of the current vehicle registration showing the license plate information, vehicle make and model, VIN

Applicants must allow a minimum of 10 business days to process the application.
For students, applications must be renewed each academic year.
A certified Smart Way Elite vehicle must be the ONLY vehicle driven to campus.
